

# Belmont Forum and Future Earth co-branded Collaborative Research Action on Transdisciplinary Research for Ocean Sustainability (CRA Ocean sustainability)

## **COUNTRY: FRANCE**

### **ANR – Agence Nationale de la Recherche**

ANR participates in the topic 1 “Topic 1 – Pathways toward a sustainable and equitable use of oceans” and “Topic 2 – Accounting for and minimizing impacts of global change”.

ANRs’ standard eligibility criteria for research projects apply, please see ANR’s general instructions:

<http://www.agence-nationale-recherche.fr/fileadmin/documents/2018/ANR-RF-2018-1.pdf>

If French applicants have any questions about their eligibility, they are advised to contact ANR to enquire about their eligibility for the call before developing the proposal.

### **Eligibility**

Applications to ANR must involve at least one “public research organization” as a partner.

Except for this requirement, ANRs’ standard eligibility criteria for research projects apply, please see ANR’s regulations for funding: <http://www.agence-nationale-recherche.fr/RF>

### **Funding modalities**

Proposals should request up to 250K€ per project and 300 k€ if the project is coordinated by a French partner.

For more information, please see the annex for French applicants on the ANR website and ANR’s regulations for funding: <http://www.agence-nationale-recherche.fr/RF>

### **Submission**

Projects must be written in English and submitted electronically via the Belmont Forum Grant Operations website: <http://bfgo.org>
